

— Funded Places at Kindred Bournemouth —

Kindred Bournemouth offers access to universal funding, which provides parents with 15 hours or 30 hours free childcare for children aged three years and over. Funding provided by the Government does not cover all of the costs associated with the provision of our funded childcare, and as a result, we apply a small food / consumables charge per free session. We apply these fees to ensure a consistent quality of childcare is provided to all children within a session.

Morning Session

8am to 1pm
