

The Great Kindred BAKE OFF

18 August: Biscuit week

This week we would like you to create a tray of biscuits. It could be some jammy dodgers, or chocolate cookies or traditional shortbread. What's your favourite biscuit? This is great one for small hands to get messy and have some fun decorating them. We can't wait to see them!

Ready, steady, bake!

How to enter?

Post a picture (no cooked goods in the post or to our nurseries please!) of your creation to our @inspiringkindrednurseries Facebook page by Monday 24th August by 7pm to have a chance to receive our Star baker prize. Winners will be announced on Tuesday.

Don't forget to add to your post – your name, name and flavour of your creation and #kindredbakeoff

Obviously, we can't taste your yummy creations, so winners will be selected for the best home cooked, interesting flavours, beautifully presented bakes. And if it has received a taste test by a mummy, daddy or grandparent we'd love to hear what they say.
