How to Pay

Payments are made via standing order, bank transfer, Childcare Vouchers/ Tax Free Childcare, or in-app payments via Kindred Satchel.

Pre-payment Fee

We do not ask for a registration fee or deposit, however we do require a £150 pre-payment that is taken off your first full invoice.

Funding

Is your child between 9 months and 3 years?

Eligible working families may be able to access up to 30 funded hours of childcare per week, starting from the term after your child turns 9 months.

Is your child 3+ years?

All families are entitled to 15 funded hours per week from the term after their child's 3rd birthday. Some working families may be eligible for 30 funded hours.

How is our funding calculated?

At Kindred, we apply the Government funding throughout the year and will deduct the funded hours off your child's booking pattern each week. Up to a maximum of 10 hours a day. We also add a consumable charge to cover food and additional activities that do not form part of the Government funding.

Calculating 15 hours funding

We can offer your government entitlement of 570 hours per year (38 weeks x 15 hours) on an all year round offer allowing your child to attend our setting for 51 Weeks. Your maximum funding entitlement per week will be 11.17 hours (570 hours ÷ 51 weeks).

Calculating 30 hours funding

We can offer your government entitlement of 1140 hours per year (38 weeks x 30 hours) on an all year round offer allowing your child to attend our setting for 51 Weeks. Your maximum funding entitlement per week will be 22.35 hours (1140 hours ÷ 51 weeks).

If you need help with which funding you are eligible for and what steps you need to take, head to Best Start in Life and use their handy eligibility checker.

Please note: Your yearly funding amount will be stretched across the number of weeks the nursery is open.

What is the additional fee attached to the Government funded sessions?

The Government funding is intended to deliver free, high quality childcare. It is not intended to pay for the costs of meals, drinks, snacks, nappies (where applicable) and other consumables, extra hours or additional activities (where applicable). To cover this a consumable charge is made for funded sessions. The details of what is covered by this charge can be found overleaf. If you do not wish for your child to access consumables alongside their funded hours, please make sure to read our Nursery Consumables Policy, let us know in writing, and your nursery manager will make you aware of the next steps that need to be taken.
