

Sock Puppets

Sock puppets are a great way to entertain little ones while improving their fine motor skills, inspire their imaginations and practice their language skills.

What will you need:

- ✓ A sock
- ✓ Glue
- ✓ Scissors
- ✓ Pipe cleaners
- ✓ Googly eyes
- ✓ Stickers

1. Sticking First stick your googly eyes on to the sock with glue.

2. Cut. Cut small holes in the sock to place the pipe cleaners through. Twist and curl them into interesting shapes. These will be your puppet's whiskers.

3. Decorate Let your little ones use their imaginations. Create a puppy, dinosaur, or let them create their own animal. Use stickers, jewels, material or wool.

4. Dry This is the hardest part. Let the sock and glue dry. During this time your little one can be drawing and naming their new creature.

5. Play Finally, you can now have hours of fun, creating your own plays, stories, role playing .
