

'HOW TO'

Activities...

## Grow your own rainbow

- ✓ Fold a piece of kitchen towel in half.
- ✓ Draw and fill in rectangles of each of the rainbow colours on each end of the towel.
- ✓ Fill two cups with water, 3/4 full. Dip the very bottom of the coloured in kitchen towel into the water. One end in each cup
- ✓ The washable marker dye will slowly make its way up the towel to meet in the centre.
- ✓ Leave the paper towel for 10-15 minutes and it will create your own rainbow.

You'll have your very own rainbow!
