

'HOW TO'

Activities...

Rainbow Treasure Hunt:

- ✓ Hide coloured objects around the garden making sure some are high and some are low.
- ✓ Make a rainbow colour check list for all the coloured objects you have hidden.
- ✓ Every time you find a one, look at the object, talk about the object and most importantly mark off your coloured object.
- ✓ You could extend this challenge by playing the rainbow matching colour game, matching coloured objects onto a rainbow board.
