Our programme aims to introduce new experiences to our Windmill children, to inspire their curiosity and create wonderful opportunities for learning and memorable moments. It is a great opportunity to enrich your child's learning through new experiences.

Monday

Little Yoga

An innovative yoga inspired programme run with Tatty Bumpkin to enrich children's learning and development. Designed to encourage movement, enhance development whilst focusing on well-being. We believe a child who learns yoga, mindfulness and relaxation will be developing essential skills for a lifetime of health and wellness in mind body and spirit.

Tuesday

Crafty Creators with Miss Lucy

Creative afternoons involving art projects to support motor skills, and a love of learning. Children will work on art projects involving clay, 3D modelling, textures, colours, shades, tones, live drawings and famous artists.

Wednesday

Feliz Miércoles with Miss Anna

Learning a foreign language at a very young age can increase children's critical thinking skills, creativity and flexibility of mind. Our Wednesday afternoon sessions will involve learning Spanish in a natural, fun, intuitive and interactive manner. We will be singing songs and rhymes, reading stories, learning colours, numbers and useful phrases.

Thursday

Musical Notes

A fantastically creative learning experience with Caterpillar Music, that involves weekly themes to keep interest. Development of language, music and motor skills through the use of actions, songs, puppets, costumes and instruments.
